The 1990 Hilltop Is Dedicated To *Norb Kuntz*

"... and, when he shall die,
Take him and cut him out in little stars,
And he will make the face of heaven so fine
That all the world will be in love with night,"

Shakespeare

May your stardust continue to touch us for many years to come.

Jennie Cernosia

The American poet E.E. Cummings wrote that his father "moved through dooms of love." The quoted phrase applies perfectly to what Professor Kuntz was and how he lived. He loved his work, the institutions of which he was a part, the communities that he belonged to and served. Above all he loved the persons who shared, however casually, his life: his associates, the young people of his community, the students at St. Michael's College, his friends and most of all Sue, Jack, Katie, and Aaron. He always had time for anyone who needed help and many persons sought his help. If his love thus imposed heavy obligations, if it thus became a "doom", he accepted this burden within failing good cheer and he brought that cheer to whoever came into his life. As we reflect on what he achieved and what he meant to us, a phrase from the historical figure whom Professor Kuntz most admired comes to mind: "It is rather for us the living..."

Edward Pfeifer

Bagged. When reflecting on Norb, I can't help but relive that squirmy feeling I got the day he walked down the corridor in Ross and let me know, with a smile of course, that he had "seen" a display of my French Temper and "heard" a barrage of language usually placed in the "excuse my french" category. He had been jogging on East Allen Street and had witnessed a near collision as some crazy driver cut me off. "Guess he made you mad?" Bagged. "The windows were closed, how did you know What I said??" Read lips too, I guess. Only made me uncomfortable then and now because it is hard to think that someone you respect and admire so much would catch you acting like a jerk and think you acted that way all the time you were out of his sight. Kinda like pleasing your father, I suppose.

His was a firm and friendly voice that reassured and comforted. He made you realize and appreciate how important all of this is, and yet, as Oscar Wilde said, also made you see that life is much too important to be taken seriously. Perspective. That Smile! Those eyes! And look of concern, when it was warranted. I miss you, Norb.

Sue Duprat

His glasses always looked like someone just sat on them.

His name was a silly name.

He loved to teach- he made everything so interesting.

He had great stories (my favorite was the story of his trip to Florida with college buddies in a hearse).

He needed a hair cut.

He had the sophistication of a man in his 40s, the appearance of a man in his 30s and the vitality and charm of a man in his 20s.

He always made time when his time was short.

He cared when care was not asked.

He loved St. Mike's.

Michael Beaudet '84

Norb and I were debating in class, and he was losing. I finished my argument and everyone, including Norb, became convinced of my position. Norb pointed his finger into the air and offered "Gadue 1; Kuntz 365". The class was hysterical.

Mark Gadhue

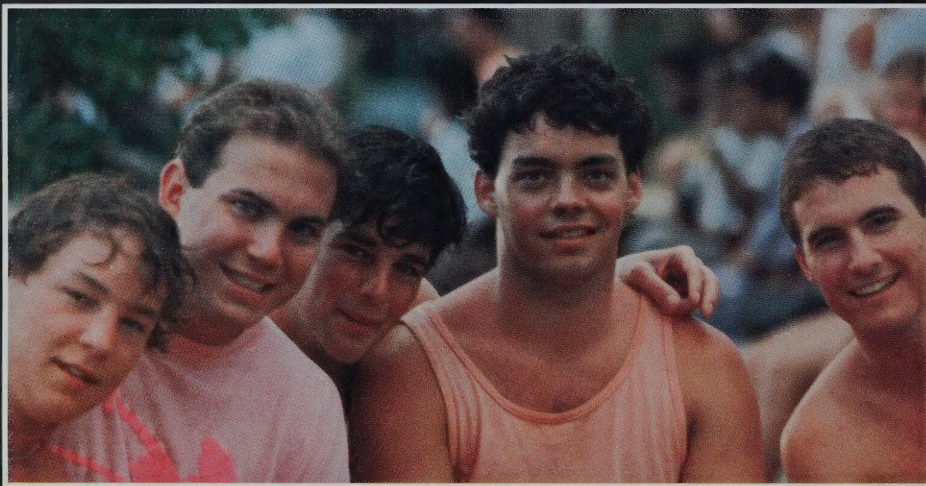

I'll always be grateful that I was on of his students- or, as the American Studies Majors '75 referred to ourselves: "Kuntzie's Kids." He also taught us that it was important to leave the world a little better than we found it.

Orientation

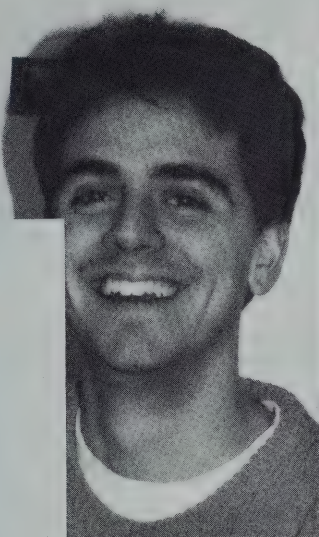

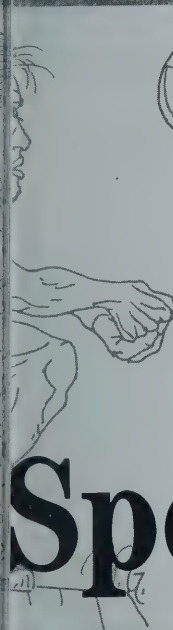

Orientation 1989, welcomed over 450 freshman students to Saint Michael's College. They were greeted by 50 upper classman, who were chosen out of 150 students to be on the orientation staff. The 3-day period consisted of friendly competition, which included autumn olympics such as; Hide and Sneak, Dizzy Bat, the Paul Revere Ride and the three legged race. Teams were made up of approximately 20 incoming students and 2 leaders. It was a warm and sunny day at St. Michael's, and the air was filled with laughter, fun, and friendship. Congratulations to all those who participated and especially to the winning team lead by Doreen Cramer and Kevin Scully, #18, Sugar Smacks.

Talent, determination and hard work, led the St. Michael's Women's Soccer team to a tremendous (7-4-3) record this season. The team finished second in the NE 10, was ranked fourth in New England, and sixteenth in the nation. The team has come a long way since the beginning of the program in 1982. Under the coaching of St. Ambrose Asagoh Koudis (NE 10 Coach of the year), the team became the first to qualify for tournament play and gain a national ranking. The team also broke 11 school records.

The 1989 Purple Knight's Soccer Season was a rollercoaster of a season. Although inexperienced, the team had many high points including an overtime loss to nationally ranked Plymouth State, which was followed by 6-0 win streak. The teams season ended with a bitter overtime shoot-out loss in the semi finals to Merrimack College, which was followed by the consumption of large quantities of fermented yeast. Although losing senior captains Greg Legan, Mike Bollo, and Gustavo Salvatenia, the future looks bright for the SMC Soccer program.

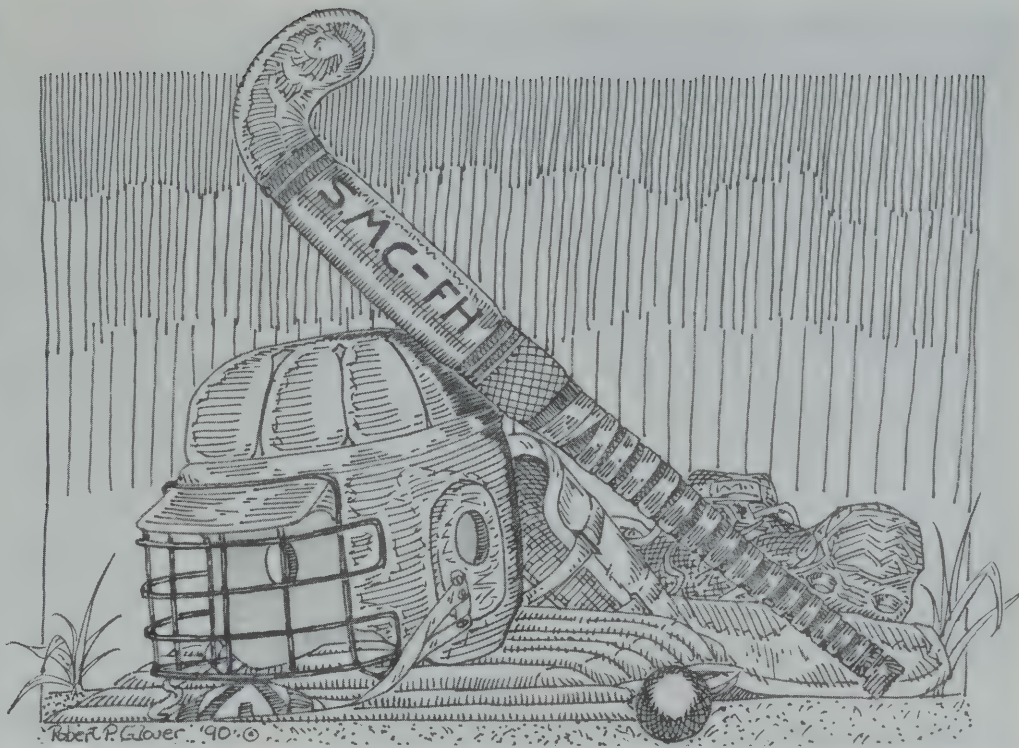

Field Hockey

Bottom: Coach Anne Noone, Betsy Walters, Patty Richards, Jean Harbeck, Anne Flynn, Mendy Spilliane, Row 2: Denise Burke, Marybeth Stefano, Kris Hunter, Kristen Kennedy, Rachel Nyger, Jodi Bush, Row 3: Karen Brown Kathleen Cleary, Tanya Krasnigor, Kristen Juliani, Stacy Arnold, Jenn England.

The 1988 ECAC Champions, captained this year by Jean Harbeck and Patty Richards, had a successful season. However, they did not repeat last years performance. Their overall record was 9-8. The season's highlights include a 1-0 victory over Middlebury and a loss to third nationally ranked Cortland State. The dynamic defensive duo of Jean Harbeck, goalie, and Kristen Kennedy, sweeper, were selected for the First and Second All-Regional All-American Teams, respectively. These are the first two players ever to come from a women's program in SMC history to receive such honors.

Rugby

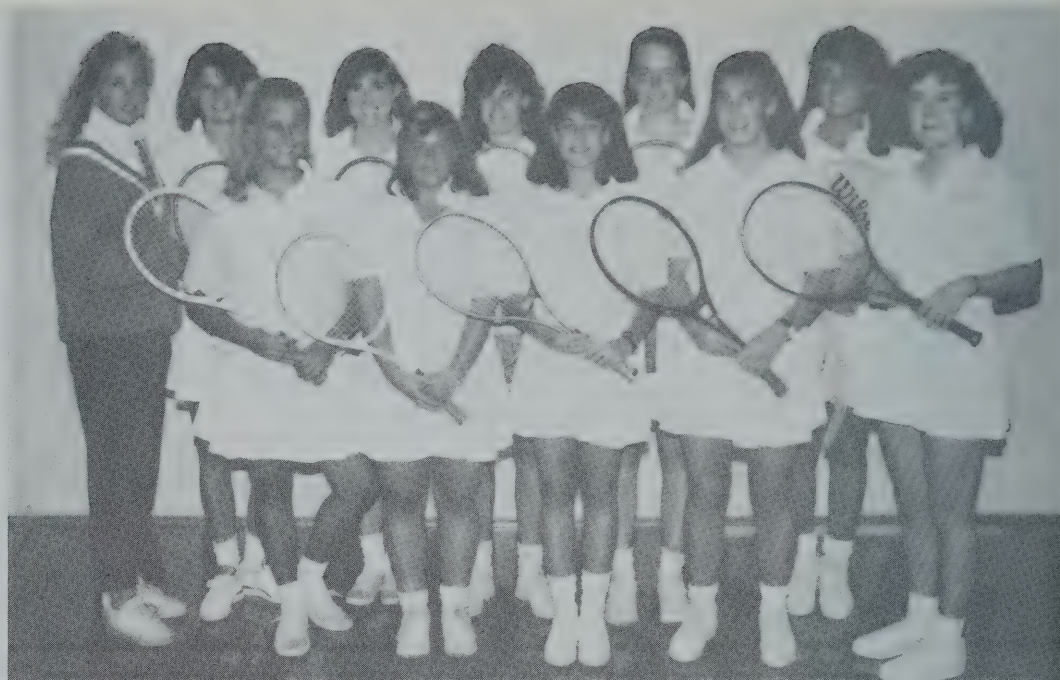

The Saint Michael's Rugby Tournament was won by our own Rugby Football Club. Rugby proved to be most successful this year with their 7-1-1 record. Although they lost their old field to a new housing complex, strong leadership and vital administrative cooperation kept rugby alive. As successful as this season was, the captains-Mark Clement, Sean O'leary, and David Baldwin- wish for the continuing success for the Rugby players here at St. Mike's in the future.

Men's Cross Country

First year coaches Craig Ohlsen and Margaret Dimasi used a little bit of elbow grease and a lot of encouragement to lead the 1989-1990 harriers through a brilliant season—they ran with GUSTO, DAMN you bet. The full team effort from the front runners to the last earned numerous program bests, including: a win at the SMC Invitational, second in the State Meet, second in the NE10 Conference Championships, 14th in the Eastern Regionals, and of course the successful joint effort of both the men's and women's teams to throw Tom Nyllis into a lake.

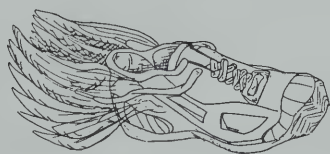

Left to Right: Margaret Dimasi, Rob Connolly, Mike Monahan, Steve Brazeau, C.J. Spirito, Brian Turner, Tom Flaherty, Tim Flynn, Sean Meehan, Tom Nyllis, Jeremy Spohr, John Dempsey, John Golden, Alan Boulet, Craig Ohlsen.

Women's Cross Country

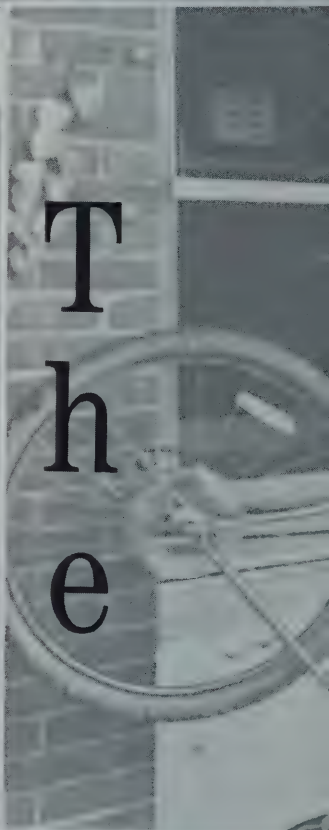

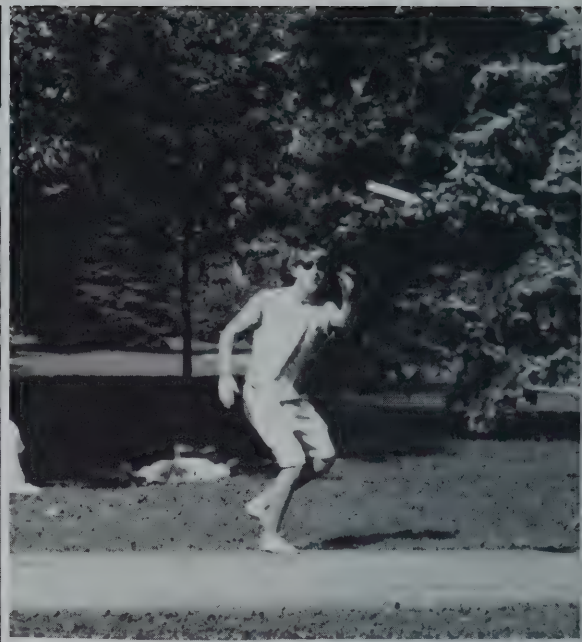

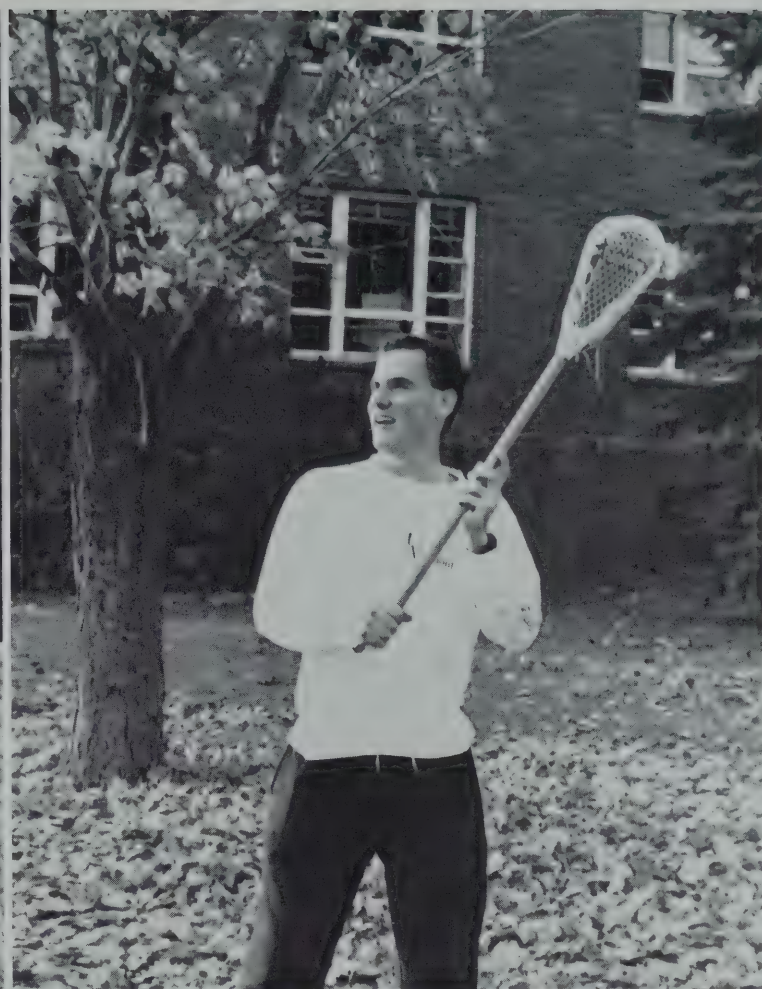

Left to Right: Karen Crider, Gina Fabiano, Annie Verrickione, Becky Defantis, Kelly Nyhan, Denise Desantis, Kathy Shevlin, Craig Ohlsen.

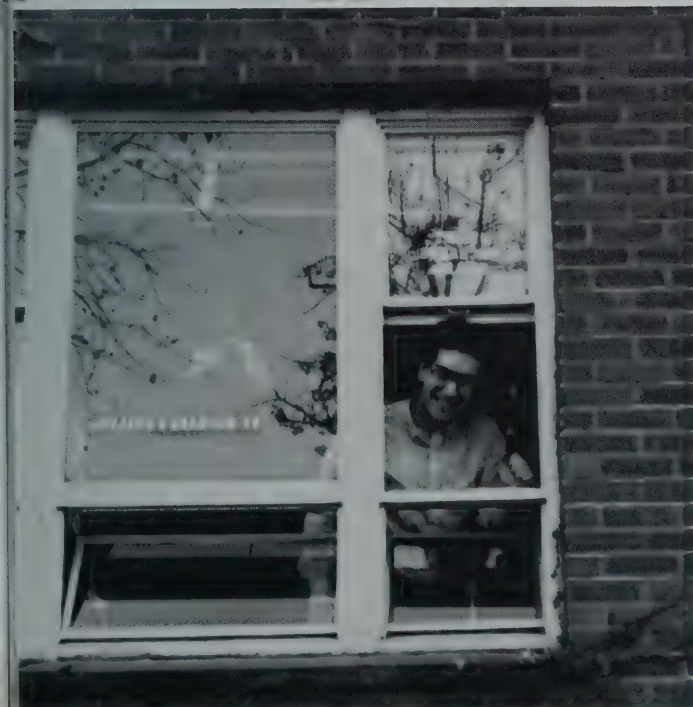

Non-runners may wonder in dismay how anybody can turn exhausting running workouts into a good time. Ask anyone on the 1989-1990 Cross Country team and they will tell you that running at SMC is a blast. Coaches Craig Olhson and Margaret Dimasi, as first timers were superb. They were excellent role models as well as great friends to the team.

Men's Basketball

The 1989-1990 men's basketball season signified one of adjustment, frustration and improvement all at once. The adjustment came with the changing of the guards when coach Barry Parkhill took over the reigns in the summer of 1989. Coach Parkhill came to us with a history of accomplishments and a never-ending drive to win, so first off, we knew we had landed a quality coach. As a result of the adjustments, us getting to know coach Parkhill's system and he getting a feel for us, we struggled through some frustrating times in the first half of the season. The season was highlighted with a final game crushing of Saint Anselm's. Our season was then abruptly ended with a last second playoff loss to Assumption College in Morchester, MA. The game also brought to an end the careers of graduating seniors Greg Thomas and Michel Bonebo, two of the most respected players ever to wear a St. Mike's uniform; they will be sorely missed!

Bottom row: Dan Mulhern, Novelle Mangaroo, Tom Dunn, Greg Thomas, Bryan Duffy, Monroe Blakes, Brian Fagan. Back: Barry Parkhill (coach), Alexis Sherard, Troy Brown, Michel Bonebo, Keith Odums, Dave Bierwirth, Asst. coach Mark Schmidt, Asst. coach Tom O'Shea.

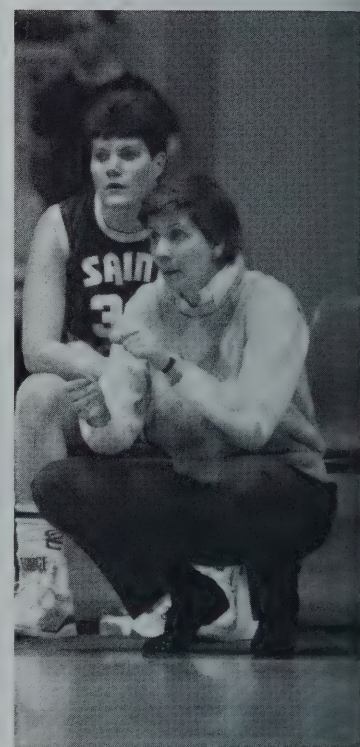

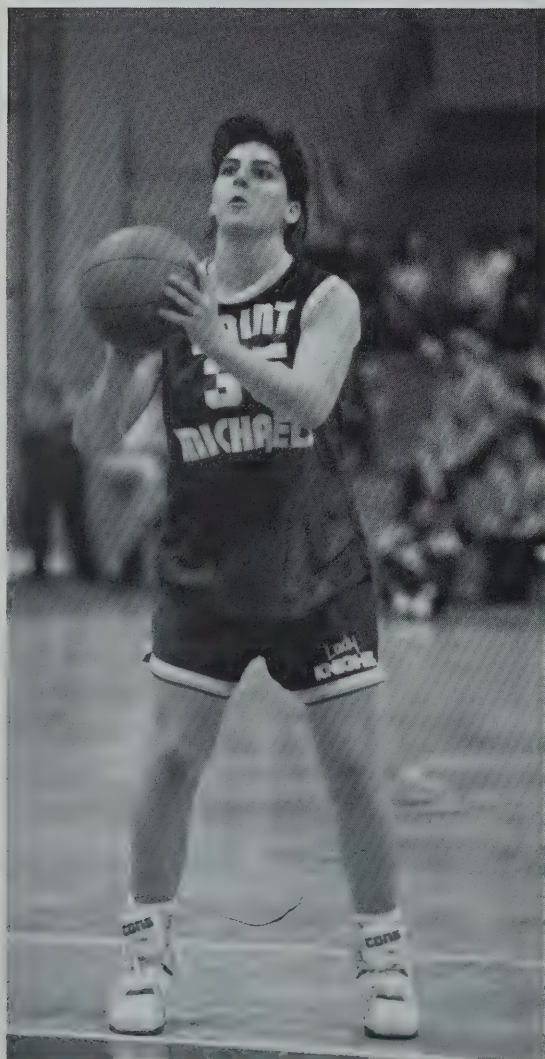

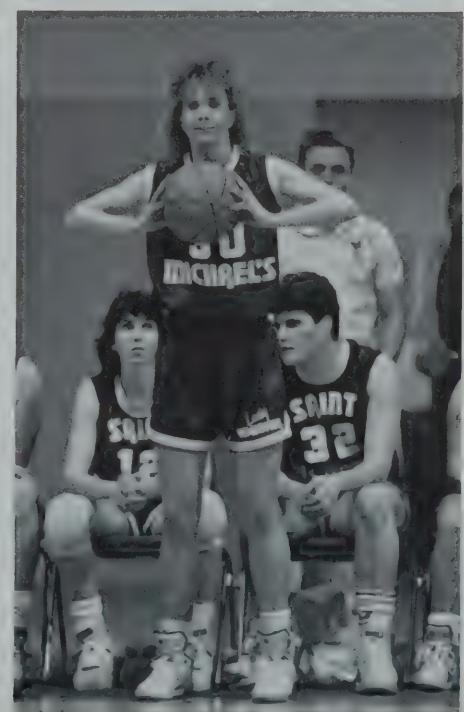

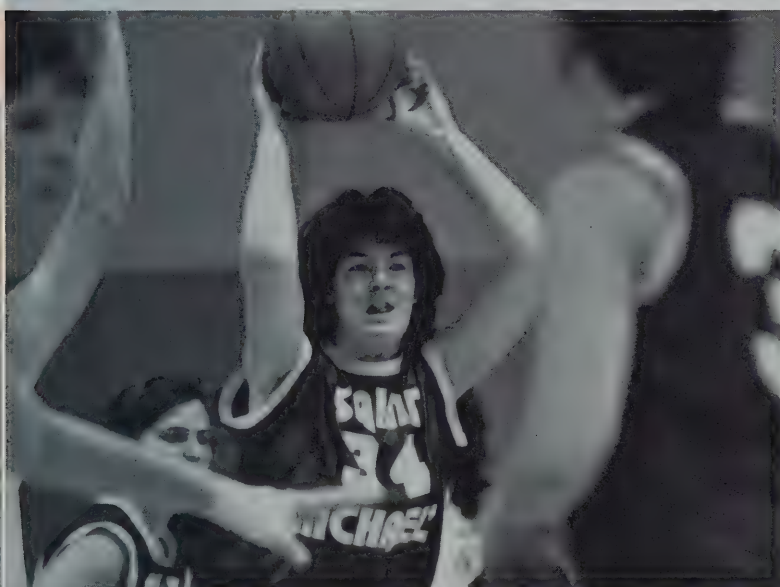

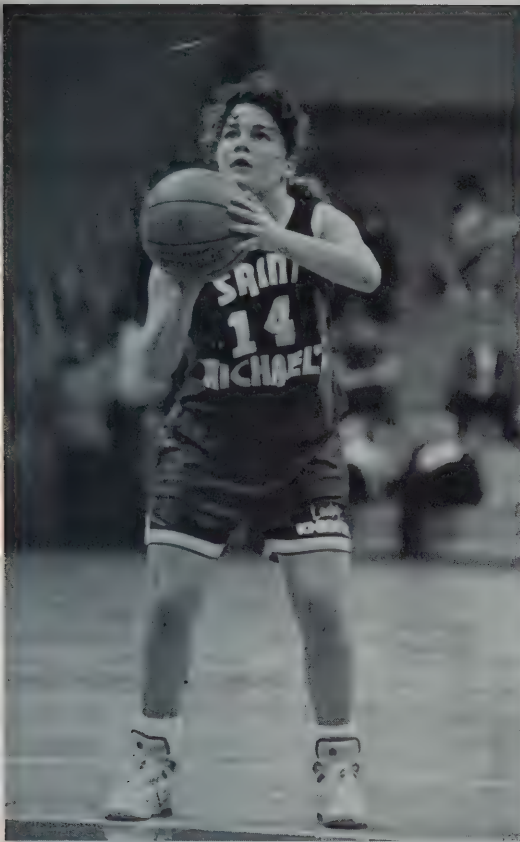

Women's Basketball

Saint Michael's Women's Basketball team finished the 1989-1990 season with a 17-14 record. The year was highlighted by the Knights making their first appearance in two tournaments: the final four of the Northeast 10 at Bentley College and the ECAC tournament at Lowell in which the Lady Knights finished second. The team will miss the three seniors Clair, Carol and Sue.

Bottom Row: Anne Marie McLoughlin, Sue Cahill, Claire Strong, Carol Ventura, Dorothy Mayer, Middle: Coach (assistant): Pippa Pierce, Sarah Turkington, Amy Molina, Karen Monahan, Karen Ashley, Coach, Sue Duprat. Back: Meg Fleming, Mary Kerins, Maureen Curtin, Liane Gagnon, Katie Kuntz.

Ice Hockey

This season, the Ice Knights, led by Coach Lou Dimasi and tri-captains Brian Mullahy, Sean McNulty and Tim O'Brien, ended the season with a record 10-9-1. The team lost nine seniors to graduation. Senior Brian Mullahy finished as the team's leading scorer for the second straight season. Senior goalie David Anderson also completed a solid season.

Bottom: Dan Bellivea, Sean McNulty, Tim O'Brien, Brian Mullahy, Dave Anderson, Hal Jordon, John Berry, Mark Crowley, Middle: Buzz Hoerr, Chris Loche, Brendan Callahan, Steve Heney, Jeff Rouleau, Scott Carpenter, Dave Berry, Chris Terry, Brent Graham, Kevin Quirk, Dave Gillis. Back: Craig Rouseau, Tom Ambrose, Joe Beukers, Brian Murphy, Peter Faureau, Kevin Kiley, Mark Mark Needleman. Not Pictured: Chris O'Mera, Brian Skinner, and Lou DiMasi

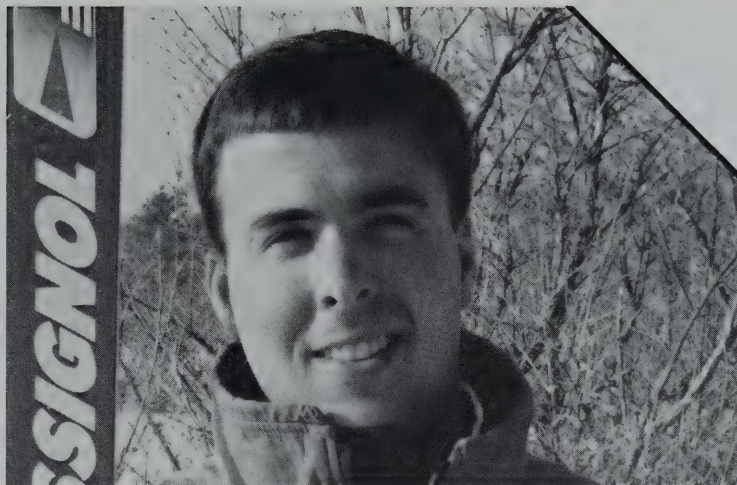

Women's Swimming

With the support and encouragement of head coach Diane Daly the women's swimming and diving team finished a fantastic winning season with a 7 and 4 record. The team had only a handful of swimmers returning from last year but combined with the many freshman and upper-classmen that joined 10 out of the 20 school records were broken and some more than once. The women proved their strength and talent achieving personal bests at the state meet and 5 of the swimmers qualified for the New England Championship at the University of Rhode Island. The team will remain strong next year because there are only three seniors leaving, Kate Devers, and co-captains are Kara Hannon and Sue Lyons.

This year the Senior class' fundraising efforts came to an end and the programming of class and campus wide events rocketed. The Senior class sponsored the Christmas Semi-formal as well as several Senior class socials in the Rathskellar. The majority of the officers time was spent in preparation for Senior Week '90 and in solicitation for the class gift of a scholarship in Dr. Norbert Kuntz's memory.

Junior Class Officers

The Junior class officers have been concentrating on fundraising this year in preparation for Senior Week '91. Successful fundraising events have included raffleing off the price of second semester books to the parents of students, delivering the infamous birthday cakes, and selling balloons, roses, and pictures with Santa in Alliot. Due to their efforts, the class is headed into their Senior year with a strong foundation to work with. Also, next year's Christmas Semi-formal is booked and well in the planning for next year. In addition the class has donated money in order to plant 50 trees on or near the campus on Earth Day.

This year the Sophomore class officers tried to raise money by having fundraisers such as Montreal trips, a 50/50 raffle, a balloon sale, and a raffle for two nights at the Radisson Hotel for Parents Weekend. We have worked on improving the laundry rooms in the quad and the dorms themselves. We have taken and collected pictures for a class scrapbook and slide show, have held a class social and a class picnic for enjoyment. We would also like to say Congratulations and Good Luck to the Class of 1990.

STUDENT ASSOCIATION

Accept the Challenge

The Student Association (SA) began the year with the slogan "Accept the Challenge." Under the leadership of President Jonathan Isaksen and Vice President Chad Tessier, the SA tackled many tough, yet important issues such as AIDS, sexual harassment, discrimination, condoms and the ever controversial issue of Cliff Notes.

Along with these social awareness issues, the SA worked on improving the level of attendance at student programs, improving communication with the administration, and formulating a better understanding of tuition raises. The issue of curriculum changes dominated academic discussion, while the library renovations were of high interest to all. The SA sponsored David Byrne and the Hooters, as well as provided many on campus programs and events.

The level of attendance at SA meetings was higher than usual, thus promoting many active, controversial discussions. This prompted moderator Don Sutton with his impeccable parliamentary knowledge to be constantly in his toes. Fr. Dick Mahalyk was officially recognized as Chaplin to the SA, beginning each meeting with a prayer.

Most importantly, the SA seemed to shift its focus from its own institution to the community and world around us. Education became part of the SA, with the body realizing it was up to students to educate and inform themselves.

Knight's award

The Fr. John Verrett Council of the Knights of Columbus, #4870, had an extremely successful year. Grand Knight Glenn Gagne worked to ensure that all of the council's events and service projects were successful. The efforts of Membership Director Mike O'Day and Ray Roohan paid off as membership increased dramatically.

The Knights wasted no time in getting started in September, the first project, the Camp Holy Cross Clean-up took place on the first weekend back. With the help of the Freshman class the Knights cleaned the grounds, resurfaced a tennis court, painted a building and performed some smaller tasks, all in one day.

October brought Halloween and the K of C's Haunted House for the Little Brother/ Little Sister program. The Knights, with the aid of Arnold Air Society, Crown and Sword Society and MOVE, decorated eight rooms in the basement of Dupont Hall. Participants were guided through the rooms, which included a mad scientist's lab, a maze filled with goblins, a werewolf's den and Count Dracula's coffin room.

As the semester went on the Knights set up their

council headquarters in the basement of Aquinas Hall. After years of meeting anywhere they could find space, the Knights now had a council home. The winter months also saw the Knights kicking off their annual Tootsie Roll Drive to aid retarded citizens.

In February the Knights traveled to the Green Mountain Nursing Home bearing gifts for the elderly residents. The Knights handed out balloons, candy and cards to the residents to let them know someone was

thinking of them on Valentines Day.

The Knights finished their Tootsie Roll Drive on Parents Weekend and donated all the money raised throughout the year to organizations who help mentally retarded men and women.

The year was good to Council 4870 and the members who will be returning in the fall are looking forward to another great year under new Grand Knight, John Moran.

Political Science Club

The Political Science Club's year began with several guest lectures delivered by members of the Saint Michael's faculty. Later activity was centered around the participation in the University of Pennsylvania's Model United Nations Conference at Boston in February.

These conferences involved extensive preparation about the structure of the real U.N. and required in-depth study of politics and society in Honduras and Peru, the two countries represented by the club.

The trips were attended by: Laura Kilmartin, Anthony Buono, Michael Gizzi, Jason Ingargiola, Shannon Courville, Robert DeStefano, Jen Murphy, Julio Castellanos, Wilbur Perez, Ram Kunja, Amy Patterson, Amy Peutz, Celeste Viger, Michael Buono and Professor Bill Wilson. For the first time, a delegation from St. Mike's, Anthony and Michael Buono, received a Distinguished Delegate Award.

The Crown and Sword Society, the oldest standing service organization on campus was quite active during the 1989-1990 academic year. The Society provides service to the college community through events including a softball game in which proceeds went to the Burlington Food Shelf, ushering at the SMC Hall of Fame Induction, Alumni Phone-a-thons, hosting Red Cross Blood Drives, and sponsoring the 16th Annual MS Dance Marathon, which raised over \$17,000 to help fight the disease. Crown and Sword also awards over \$1,000 in SMC scholarships annually with money being raised through activities such as Rent-a-Prof and the Parents' Weekend Raffle.

BACCHUS THOUGHT FOR THE WEEK:

The SMC BACCHUS Chapter is one of nearly 400 chapters nationwide, which promotes responsibility when drinking. Although alcohol awareness is the prime concern of the organization, BACCHUS sponsored numerous successful events during the 1989-1990 academic year. Events included a cruise on Lake Champlain, showing of "Willy Wonka," National Collegiate Alcohol Awareness Week, "Laugh at Yourself," Hug Coupons during St. Patrick's Day and countless "mocktail" bars, all of which were free of charge.

Student Admissions Association

Throughout the year the coordinators, Cynthia Dursi and Andrew McCann, succeeded in accomplishing many objectives of the Student Admissions Association (SAA). Among these goals were: Scheduling weekly tours, organizing hometown high school visits, phonathons, the freshman send-off and letter writing campaigns. All of these activities were put forth to represent Saint Michael's College to prospective students.

Ten Years of 'Defending'...

Defender The Student Newspaper of Saint Michael's College

This year, The Defender staff overcame many obstacles to produce sixteen quality issues. In September, four inexperienced editors had to learn PageMaker in a matter of weeks, without any direct instruction. As unbelievable as it seemed, the first issue of The Defender appeared in print on September 27, 1989. At the end of the first semester, and eight issues later, The Defender showed great improvement in both content and design.

With the start of a new semester in January, a completely new editorial staff took over. This time, the editors were taught PageMaker quickly, and the next eight issues showed a marked increase in creativity. Two major achievements of The Defender this year were to include a national/international news summary each week and to include a three-part series which examined several social issues of the '90's, such as AIDS, date rape, and sexual harassment.

Chorale

The 43 member St. Michael's College Chorale, under the direction of Dr. William Tortolano, enjoyed a very successful and eventful year. We performed a total of 16 concerts which included Homecoming, an annual Christmas concert, and Parent's Weekend as well as tours to Montreal, Biddeford, ME, Boston, MA,

and Worcester, MA. Members of the Chorale also travelled to England, Ireland and Wales over February break. In the coming year, we hope to perform Handel's Messiah and plans for trips to Pittsfield, MA (home of four Chorale members) and New York or Philadelphia are in the making. It promises to be another exciting year in '90-'91!

MOVE

Harvest for the hungry

220 people volunteer their time to MOVE

This year the MOVE Program has much to celebrate. With the hard work and dedication of the student organizers the MOVE Program was named the 34th "Point of Light" by President George Bush. This award does not only reflect MOVE's national reputation for quality service, but also highlights MOVE's commitment to our surrounding community.

A special note this academic year was the effort that was lead by two members of the Class of 1990, Cathy Weiss and Maura Gaffney. Cathy and Maura are responsible for starting the Best Buddies Program of Saint Michael's. This program matches Saint Michael's students with a person in the community who is mentally challenged. The program has enjoyed great success and promises to grow in the future.

Through the MOVE Program this year 500 students, faculty, staff and alumni participated in direct service to the community. This service ranged from working with children in Burlington to feeding the hungry of Hartford, CT. These 500 people represent the thousands that have been touched by the MOVE Program since its start.

MOVE named Bush's 34th Point of Light

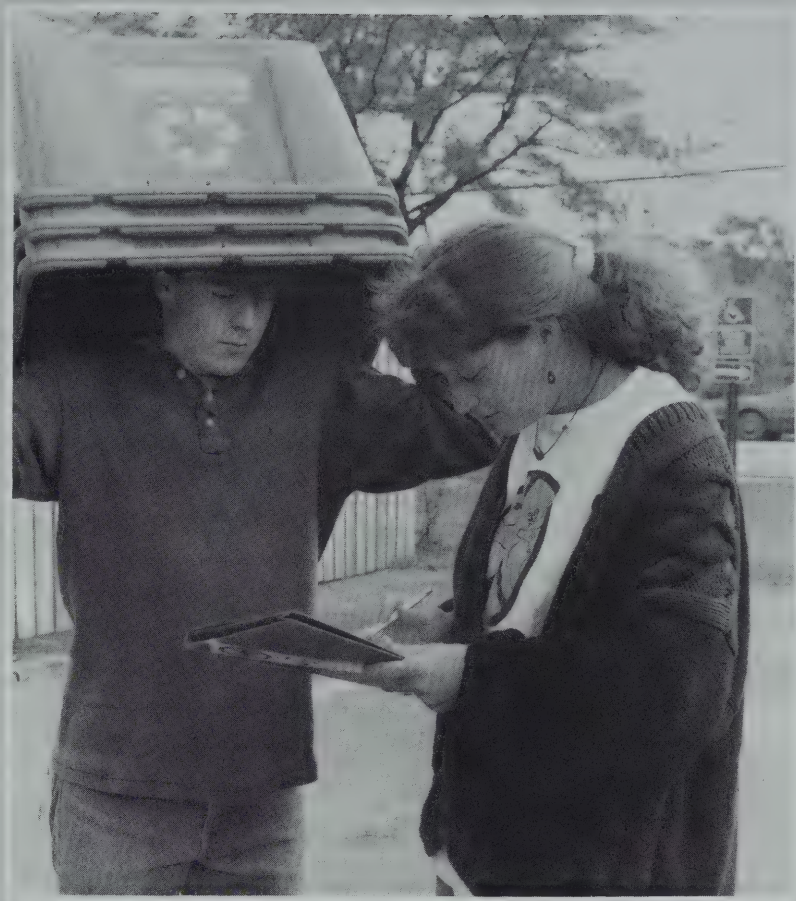

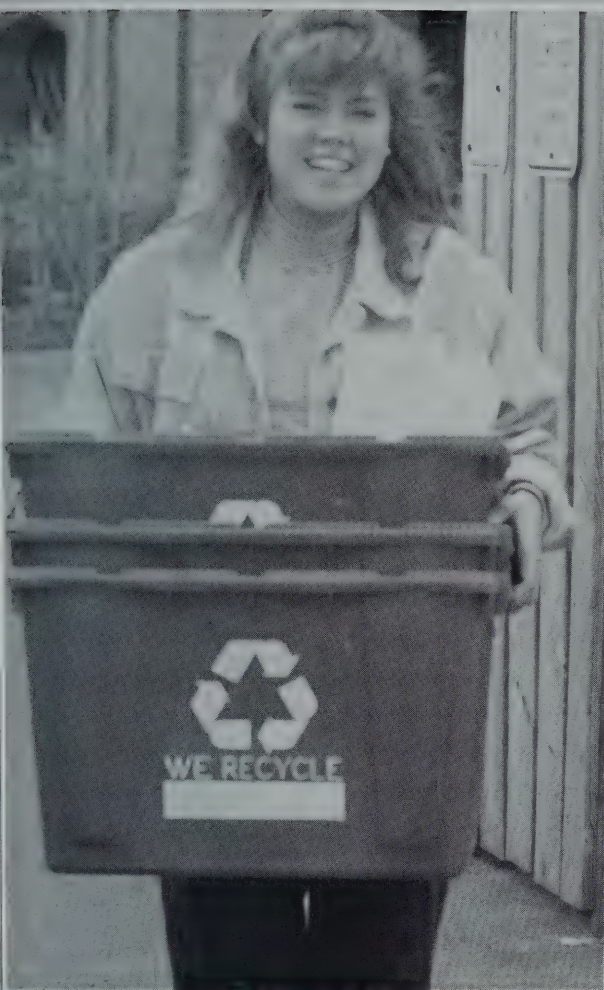

CART

"St. Michael's recycles" on campus

CART (Community Action to Recycle Trash) is a young organization dedicated to educating the campus and the community about the importance of reducing, reusing, and recycling. We currently recycle white, colored, greenbar computer paper, and newspaper throughout the academic buildings and offices. We also have started a pilot program in Alumni dormitory. In the future, we plan to expand our program to encompass the entire campus and are examining the possibilities of increasing materials collected such as glass and aluminum.

The Rat gets a new look

The Rat

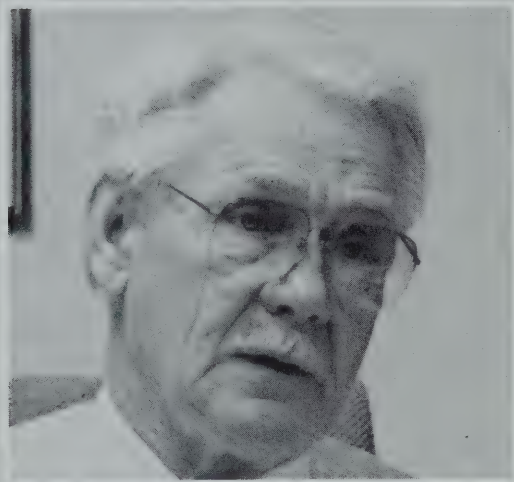

This year's \$38,000 renovation brought with it not only physical change, but a change in the role of the Rathskeller. While the Rathskeller remains an on-campus pub on Thursday nights, many Friday afternoons and additional times when it is rented in that

capacity, an alcohol serving establishment is no longer its primary function. The Rat has evolved into an all purpose room, accommodating meetings, speakers and social events for on-campus, as well as for off-campus groups.

The Coffeehouse Committee, consisting of Lynn Martin: Chairwoman, Kerry Courcey, Michelle La-Francis, Jason Haluska and Beth Nichols, provides a variety of low budget, high quality entertainment in a non-alcoholic environment. This year most of our events were held in Alliot Student Center during the week. We had musicians from folk to Irish to Blues and Jazz, including a favorite, Randy Mauger. We had a caricature artist, the 'Friday Night' Comedians from the Boston Comedy Co., and a hypnotist for P-Day. Coffeehouse continually strives to suit the interests of the students at SMC.

Sister Thea Bowman

Sister Thea Bowman touched the lives of many in the St. Michael's College community. She received an honorary degree of the Doctor of Humane Letters approximately five months before she passed away at the end of March. In her visit to St. Michael's, she told our community that "We need to touch not only bodies, but also hearts and souls and heal them." Through her, we can learn to "Be your best. Live your best. Do your best. Give your best." At the time of her death, 15 students at SMC were on scholarship through the Sister Thea Bowman Black Catholic Education Foundation.

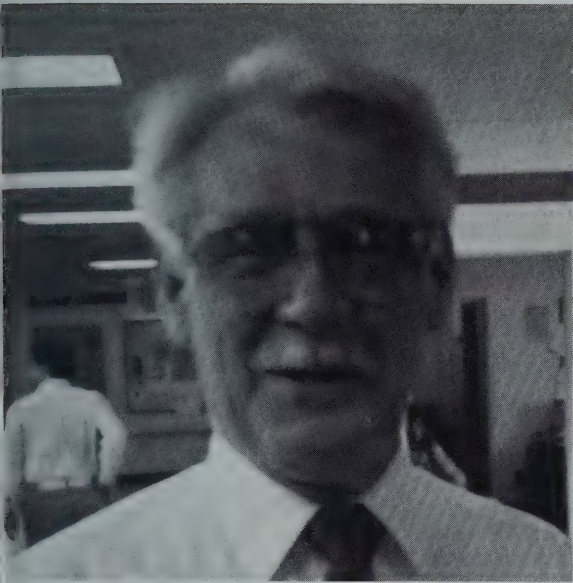

Spike Lee

Spike Lee, the renowned producer, director, and star of the 1989 film "Do the Right Thing", visited the President's dining room before his talk at UVM Ira Allen Chapel. Lee came to give a personal interpretation of the racial situation in America and stated that it is in his purpose in the entertainment industry to "put the vastness of black culture on film." The Martin Luther Society invited Lee, and both are teaching our college community to bring racial consciousness to a higher level.

Don Sutton

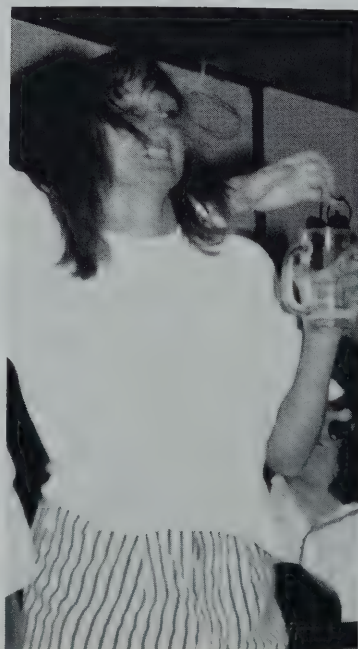

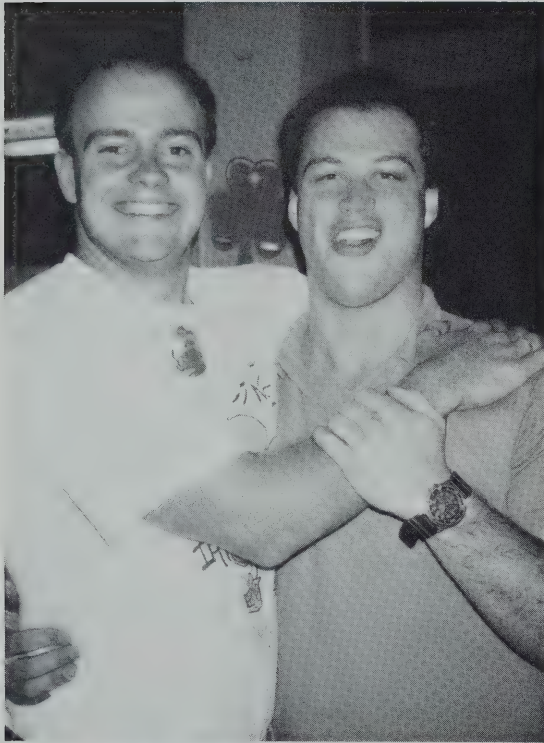

Don Sutton decided to retire from a part of his St. Michael's family. He stepped down from his position as head of fire and rescue after more than 20 years of service. Sutton taught the fire and rescue squad that responsibility and dedication are the keys to servicing successfully and although he will be missed, his support for the squad will continue to endure for as long as they need him.

SMC Renovation

Every Year, The College Gets A Face Lift Of One Type Or Another. The Major One Over The Past Four Years Was The "New Building". The Major Changes This Year Went To The Campus Ratskellar, Klein Center, And The Addition Of Playing Fields Behind The 300's. The Rat Changed To Take The Emphasis Off Of Alcohol And To Give Greensleeves Additional Seating (So It Looks More Like A Cafeteria Than A Bar). Klein, Which Houses The Student Resource Center And Admissions Changed By Eliminating The Faculty Lounge And Allowing For More Efficient Use Of The Space Available. The Field Is Comprised Of A Softball And Baseball Diamond, As Well As Additional Playing Fields For The Other Sports.

Senior Class Gift

Congratulations to the Class of 1990! Their senior class gift efforts succeeded in raising over \$31,000 in gifts and pledges to endow a scholarship in memory of Dr. Norbert Kuntz, their beloved professor. The gift committee worked with Dr. Susan Kuntz and the family to shape the criteria for selection. After lengthy discussion it was agreed that the scholarship will be awarded to a junior or senior student who maintained a minimum 3.0 GPA with preference for a History or American Studies major. The first award will be made when the fund reaches the prescribed minimum of \$25,000. To date, 81% of the senior class has pledged \$100 over three years toward their goal. In addition, 53% of the senior class made an additional up front gift to the fund, surpassing the 45% record of the class of 1989. The gift committee was chaired by Karen Brown and Andrew McCann and had the full cooperation of class president Debra Rogers and 29 volunteers who visited and solicited their classmates in honor of Norb. The level of support reached by the Class of 1990 pays tribute to the importance of this project, not only to the senior class, but to the entire college community.

Men's Lacrosse

The St. Michael's Men's Lacrosse team faced a challenging year, to say the least. The Lax Knights were hit hard by injuries early in the season, losing both leading attackman, George Finn, and starting goal keeper, Ray Cormier, in their fourth match against Skidmore College. In the end, Coach Dimasi and the Knights finished with a disappointing 2 and 9 record, however, their roster contains an abundance of young talent, leaving them with an excellent future potential. Leading scorer efforts were contributed by Rick Saba (33 goals), Brian Walker (15 goals), and rookie Kieran Blake (11 goals).

Bottom: Peter Grace, Kieran Blake, Rick Saba, Dave Dillmeier, Jeff Nicolo, John Milner, James Hoffman, Chris Rheault, Brendon Cairo, Andy Sweeney, Greg Schultz, Middle: Coach Dimasi, Father Steve Matt Kearns, Robert Robinson, George Finn, Kevin Morrison, Ray Cormier, Jim Maher, Kevin Quinlan, Brian Walker, Tom Blake, John Rampone, Zaf Bludevich, Back: Steve Andrews, Christian Phillips, Kevin Terry, Mike Brunell, David Monesmith, Rob Clough, Chris Ryan, Andy Curran, Derek Rynne, Matt Dastin.

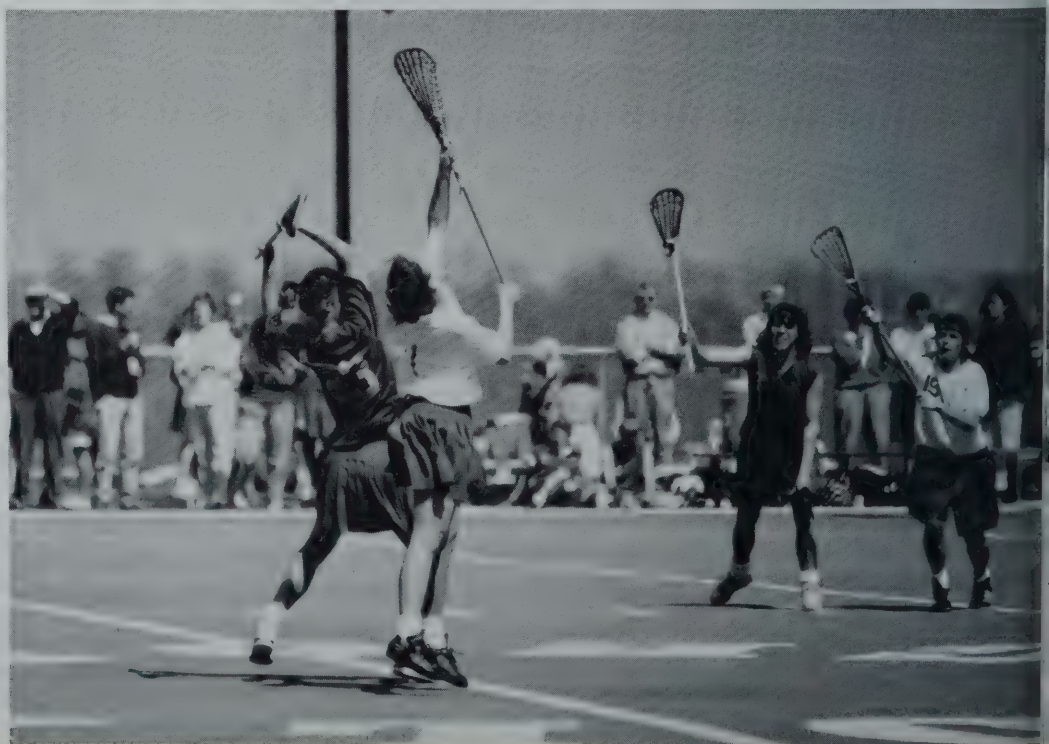

Women's Lacrosse

The St. Michael's Women's Lacrosse team, under the direction of head coach Dana Frier, maintained their winning tradition, finishing their season with a 7-4 record. For the seventh time in eight seasons that SMC has offered varsity women's lacrosse, the program has turned in a winning season. Cynthia Dursi lead the team in scoring, with 21 goals and 8 assists. Diane Slahtosky is next with 22 goals and 6 assists. Ginny Dowd rounds out the top three with 16 goals and 9 assists. This year's success can be attributed to old skill and new talent. It was a strong team, with incredible depth and experience.

Team Members: Kate Ziminsky, Paige Cleary, Cathleen Blake, Amy Ford, Diana Scannel, Betsy Reilley, Diane Slahtosky, Allyson Bradely, Jane Hannon, Maureen Rooney, Kristen Patrick, Ginny Dowd, Karen McNabb, Megan Gately, Dawn Devoe, Cynthia Dursi, Kelly Meehan, Kate Devers.

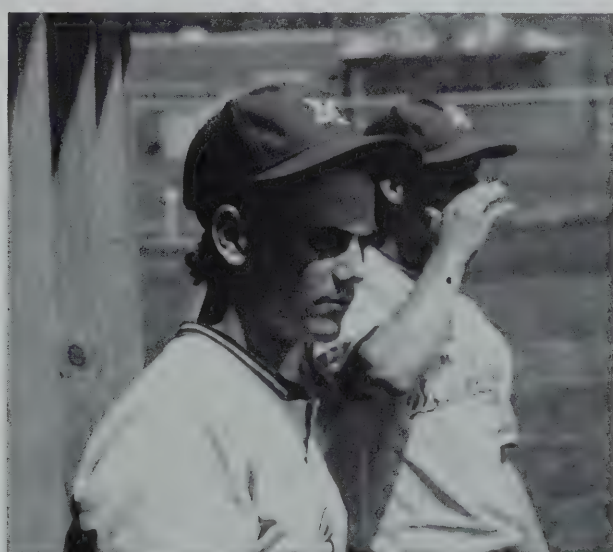

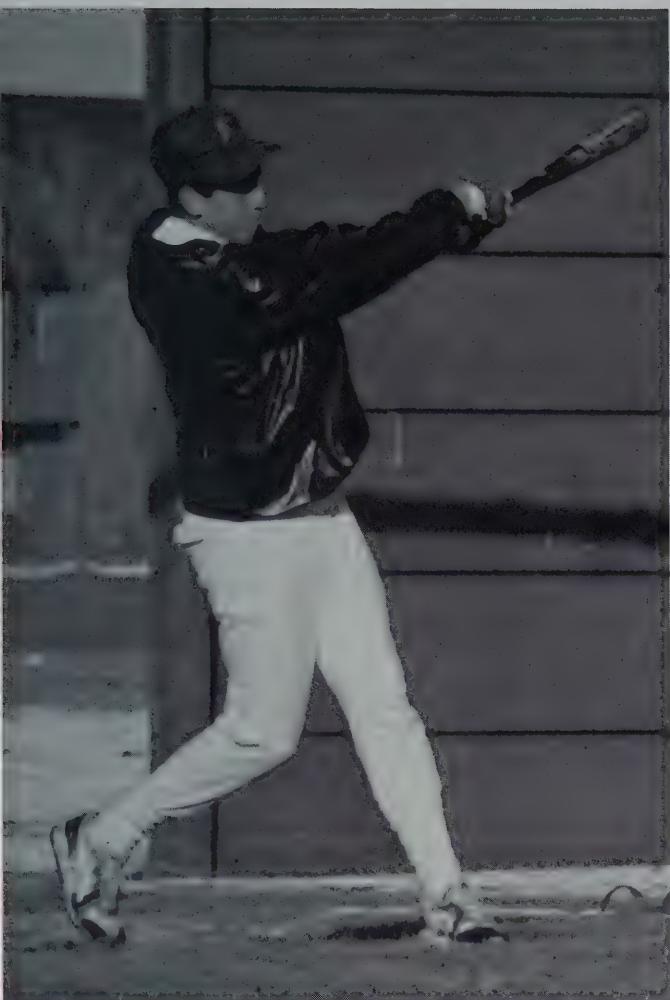

Baseball

Baseball came back to campus this spring after a nine hiatus, with head coach Perry Bove and his staff leading the team through the tough competition of this inaugural season. With Jeff Boucher as the leading hitter for the Knights, and Greg Eibell as the leading pitcher, the future looks bright for the Knights baseball program.

Coach Perry Bove, Brian Crogan, Peter Biegel, Mike Byrnes, Chris Loche, Jim Barten, Dan Tuohy, Scott Mosher, Middle: Brian Rayder, Greg Eibell, Greg Lauria, Rob Teas, Mike Reidy, Kevin Butler, Top: Tom McCrocklin, Bill McCarthy, Jeff Boucher, Mark Forgues, Rich Goodwin, Rob Russo.

Softball

The new softball program, led by Nancy Lubinsky brought St. Michael's Lady Knights back to the Northeast 10 conference. Top players Dot Fitzgerald and Sue Gavenas, and the thirteen other freshman on the team, will make for a promising future in the seasons to come at St. Michael's.

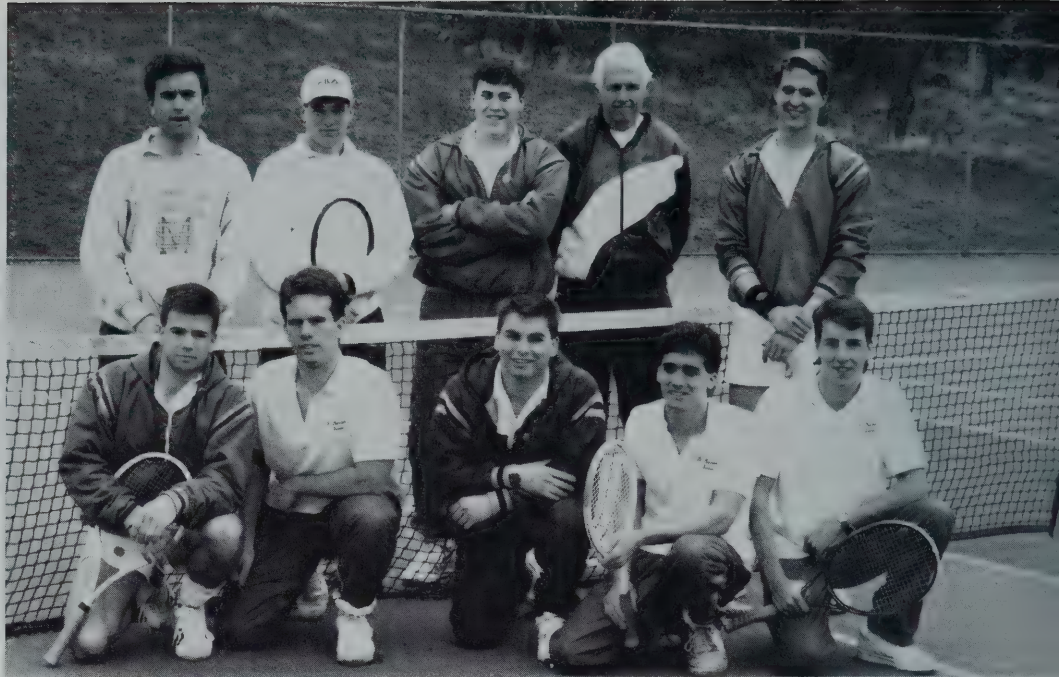

Team Members: Christine Grano, Amy Fannon, Bridget McGinn, Kathleen Cleary, Suzanne Cavenas, Laura Maroney, Myra Ellis, Jill Rouillard, Kristen Agerty, Ellen Meaney, Denise Stanford, Katie Kuntz, Dotsy Fitzgerald, Suzanne Denault, Debbie Cady, Ellen Manning, Mandy Messier, Rebecca Hajjar, Coach Nancy Lubinsky, manager Donna Doherty.

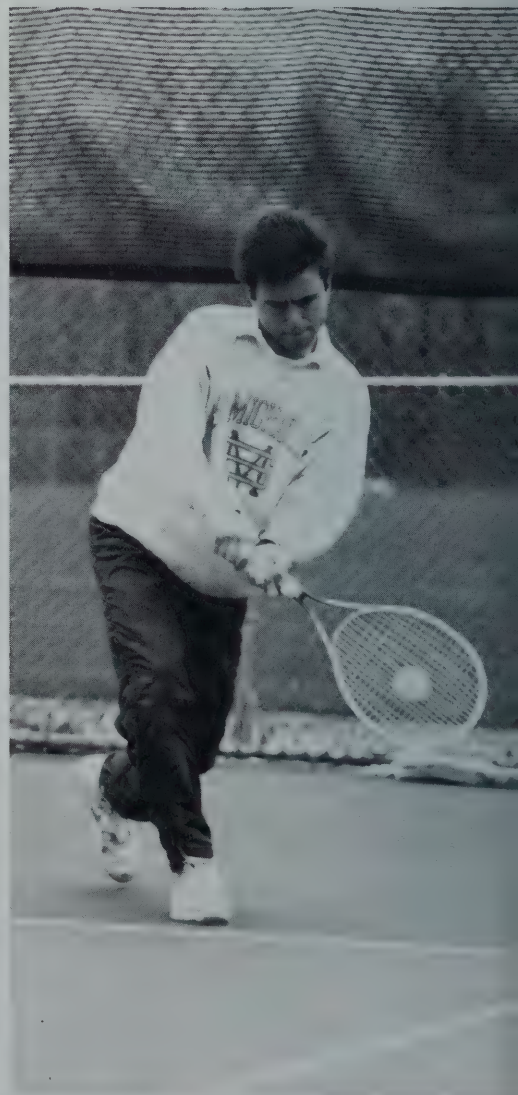

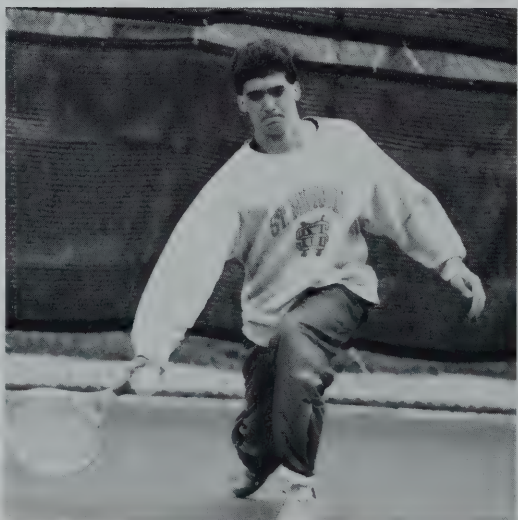

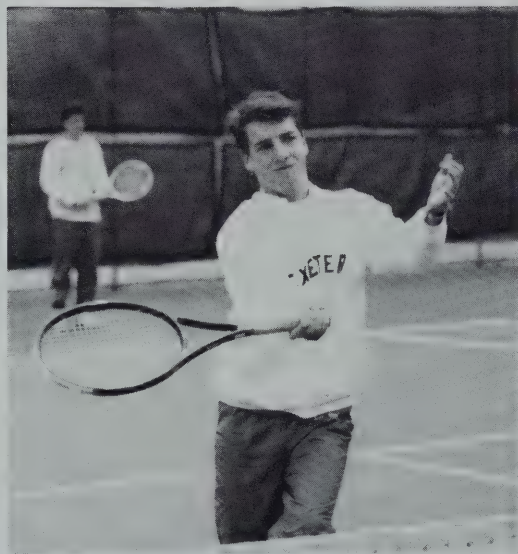

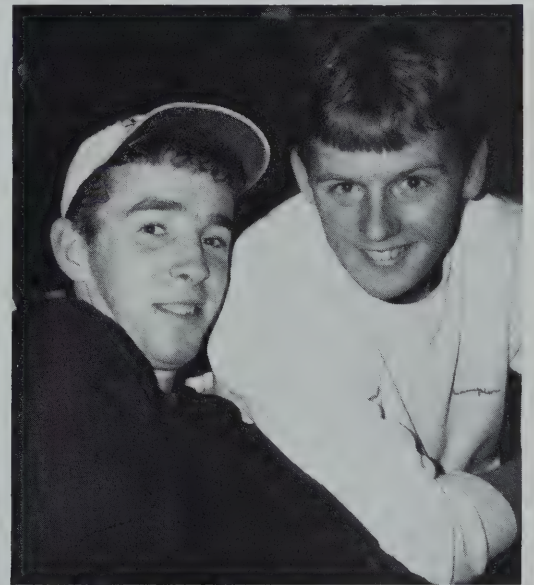

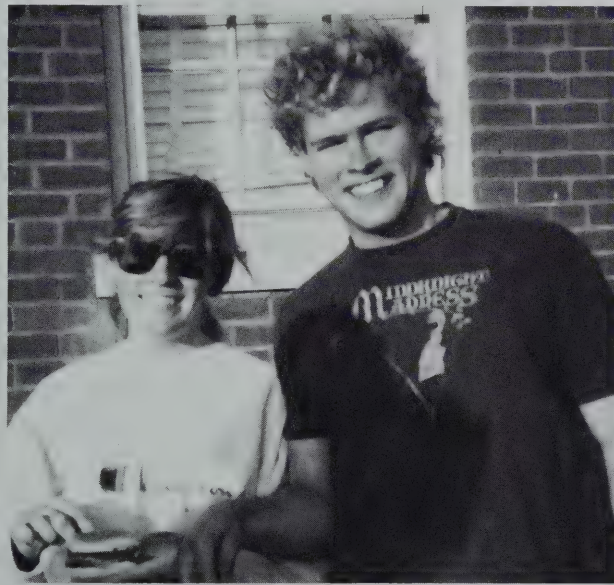

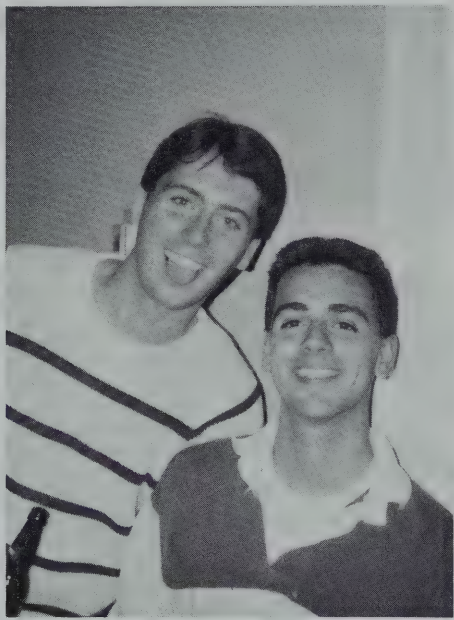

Men's Tennis

Head coach George Shaw and his team displayed a dramatic turnaround this season. Their 5-7 record doesn't sound that spectacular yet, those 5 victories were more than the team has had in the last four years combined. Freshman Rob Woodman, the #1 single had a 7-5 record and #2 single Jeff Brazinkoky also had a solid season who paired with Rob to be the #1 double combo. With no seniors, and only 1 junior the future for the team is looking very promising.

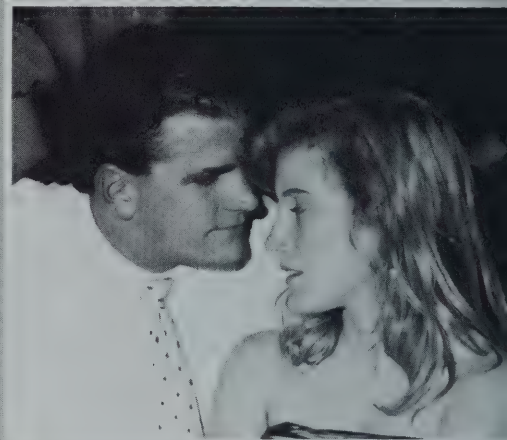

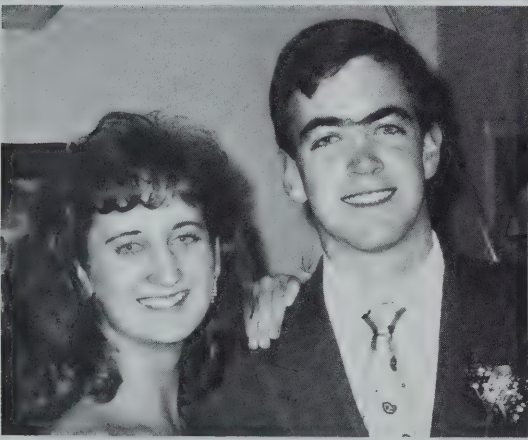

Members: Kevin Birch, Jeff Brazinsky, Eric Breemen, John Kennedy, Brian Lysik, David McDonnell, Jeff Moore, William Shea, Kevin Trihy, Peter Watson, Robert Woodman, and coach George Shaw.

That I Would Change So Much And Barely Realize It.

That You Can Love A Lot Of Different People In A Lot Of Different Ways.

That College Kids Throw Paper Planes Too.

That Every Clock On Campus Shows a Different Time.

That You Were Smart In High School, So What!

That I'd Go To A Party The Night Before A Final.

That Chem Labs Require More Time Than All My Other 18 Credits Combined.

That You Can Know Everything And Still Fail A Test.

That Home Could Be A Great Place To Visit.

That I Could Get Used To Almost Anything I Found Out About My Roommate.

That Most Of My Education Could Be Obtained Outside My Class.

That Friendship Is More Than Getting Drunk Together.

IN MEMORY OF *Andrew MacDonald*

*Packing up the dreams God planted
In the fertile soil of you,
Can't believe the hopes he's granted
Means a chapter in your life is through
But we'll keep you close as always
It won't even seem you're gone
Cause our hearts in big and small ways
will keep the love that keeps us strong and
Friends are friends forever, if the Lords the Lord of them
And a friend will not say never, cause the welcome
will not end
Though it's hard to let you go, in the Father's hand
we know,
That a lifetimes not too long to live as friends
With the faith and love God's given,
Springing from the hope we know
we will pray the joy you'll live in
is the strength that now you show
we'll keep you close as always
It won't even seem you've gone
Cause our hearts in big and small ways
will keep the love that keeps us strong
NO, A LIFETIME'S NOT TOO LONG TO LIVE AS FRIENDS.*

To the Members of the Senior Class and the St. Michael's Community:

The past months have shown us a true community that is engrossed in an ethic of caring. You have described Norb as one-caring who, if in conversation with you, listened and whose eyes reflected the seriousness, humor, and excitement of what was being said. You've filled us with stories of how he has touched your lives with gentleness and comforted you, sometimes anticipating pain and shielding you from ridicule and fear. He helped you grow.

There is another part to this ethic. You have cared-for Norb in so many ways. You were the impetus for the vision he created giving him the energy to pursue his projects and his life vigorously. While he loved to laugh, he did not take life lightly. In his words:

The fathers of this nation hoped to establish an example for the world. They strove to build 'A City on a Hill.'

Norb's City, as ours, rests in you—the community of St. Michael's. You persuaded him from ideas of self toward ideas of self-in-service. The fundamental concept of the liberal arts education you have received—the synthesis of ideas—has prepared you for understanding of self and your relationship to the community. You allowed Norb to achieve harmony between himself, society and God. You helped him grow.

As a community you have demonstrated the knowhow, the talent and the resources to nourish our souls and raise our dignity and hope to new heights. Enriched, we have gained confidence that this caring ethic and way of life is the correct one. For the direction, we thank you. May your lives be filled with *peace, love and laughter!!*

Fondly,
Sue, Jack, Katie, and Aaron
